1. Breakfast, Exhibits, Forestry Information, WINY Radio Live Broadcast
2. Exhibits, Demos, Food,
3. Tee-Shirt Sales, Exhibits, Music, Egg Cooking Demo
4. Animals, Exhibits, Quilt Display, Hatching Chicks

This is “The Last Green Valley” because we have working farmland and forests. We can keep farms in business by:

- Buying food, fiber and forest products from local farms, businesses, Farmer’s Market & Farm Stands
- Asking for local foods in grocery stores
- Supporting town and state legislation that encourages smart growth and keeping productive farms, and forests, for our present and future generations.
